Derived from: Magnesium Sulfate, Sodium Borate, Copper Glucoheptonate, Iron Glucoheptonate, Manganese Glucoheptonate, Zinc Glucoheptonate, and Sodium Molybdate

- **Optimal liquid foliar formulation of essential plant nutrients**
- **Aids in the prevention and correction of micro-nutrient deficiencies**

CAUTION: Keep out of Reach of Children

RECOMMENDED RATES

Turf (Fairways, Greens & Tees):
Apply 2-6 oz. per 1,000 sq. ft. or 3-6 quarts per acre in enough water to cover.

Trees & Ornamentals: Apply 4-6 quarts per 100 gallons of water as a drench or foliar spray. Repeat as needed.

2.5 gallons (9.46 liters)
Weight per gallon: 11.00 lbs.
Net weight: 27.5 lbs. (12.5 Kg)

Minors

PRODUCT INFORMATION

Harrell's MAX Minors (complete minors package) is a liquid foliar formulation of essential nutrients and micronutrients to aid in the prevention and correction of deficiencies. The ratio of minors in Harrell's MAX Minors micronutrient package has been optimized for higher pH soils where trace elements often become unavailable to the plant. In alkaline soils, Harrell's MAX Minors will remain available longer than many other products. Harrell's MAX Minors can be applied with most pesticides and fertilizers except high phosphate materials. The addition of a non-ionic surfactant will aid surface coverage which will help leaf absorption.

DIRECTIONS FOR USE

Harrell's MAX Minors may be tank mixed with most liquid fertilizer and pesticides; however a jar compatibility test should be performed on unknown combinations.

PRECAUTIONS

Shake well before each use. Avoid getting in eyes, mucous membranes or on skin. Use of side-shielded safety glasses is recommended. Use with adequate ventilation. Keep container capped when not in use. Do not contaminate feed, seed, or water supplies. Avoid spraying on concrete or painted surfaces as staining may occur.

Keep away from Children.

FIRST AID

Skin: Remove contaminated clothing. Wash with plenty of clean water and soap. Consult a physician.

Eyes: Rinse with clean water for a minimum of 15 minutes. Seek medical attention.

Internal: Drink 2 glasses of water. **DO NOT INDUCE VOMITING.** Seek medical attention at once.

STORAGE AND CONTAINER DISPOSAL

Store this product in a dry place, in original container only. Keep lid tightly closed. Keep away from open flame or intense heat. Triple rinse container and offer for recycling or dispose of in accordance with federal, state and local authorities.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty(30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The seller's liability under this warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.
