FOR PROFESSIONAL USE ONLY

FIRST AID

If on Skin: Wash with soap and water. Consult a physician if any
irritation persists

If in Eyes: Rinse with clean water for 15 minutes. Remove contact
lenses after the first 5 minutes and continue to rinse. Seek
medical attention if irritation persists.

If Ingested: Call 911 or a physician for treatment advice.

Have the product label with you when calling a doctor or going
for treatment.

12-0-6 w/UMAXX®

Harrell's Bio-MAX® 12-0-6 is a professional-use product offering turf managers advanced nutrition for foliar and soil application. This product is a proprietary formula containing listed macro- and micronutrients and kelp extract as microbe food..

DIRECTIONS FOR USE

Shake or agitate before use. Rates will vary based on soil/tissue analysis and your agronomic needs. Apply in the early morning or late afternoon for best results. Allow foliar product to dry on plant prior to irrigation. Use Harrell's Activator for superior coverage. Apply in sufficient water to ensure thorough coverage.

Mixing Guidelines: Use a minimum of 1 U.S. gallon of water carrier per 1,000 sq. ft. (3.8 liters per 93 sq. meters). Fill mix tank with half of required spray water and turn on agitation. Measure product into tank; add remaining water and other soluble materials. Add a defoaming agent if desired, and adjust pH of tank-mix to neutral if necessary.

Compatibility: These concentrated materials are compatible with most fertilizers and chemicals but should not be mixed directly with other chemicals. Mix in spray tanks with water and proper agitation. Conduct a jar test as needed to ensure compatibility with other products before tank mixing.

RECOMMENDED RATES

Turf: Apply 3-6 oz. per 1,000 sq. ft. every 7-14 days. Apply in sufficient water to ensure thorough coverage.

Trees and Ornamentals: Apply 2 oz. per gallon of water every two to four weeks throughout the growing season.

STORAGE AND CONTAINER DISPOSAL

Store above 32°F. Store this product in a dry place, in original container only. Keep lid tightly closed. Keep away from open flame or intense heat. Triple rinse container and offer for recycling or dispose of in accordance with federal, state and local authorities.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The seller's liability under this warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.
