

Blue Pond Dye

Harrell's SprayMAX

PRODUCT INFORMATION

Harrell's Blue Pond Dye is a blended formulation of water-soluble dyes. Harrell's Blue Pond Dye is designed for use in lakes, ponds, decorative water features and other impounded bodies of water with limited outflow. Harrell's Blue Pond Dye beautifies murky, cloudy or off-colored water with a pleasing, natural aqua-blue color.

DIRECTIONS FOR USE:

- Shake or agitate before use.
- Always wear rubber gloves when handling Harrell's Blue Pond Dye
- Pour Harrell's Blue Pond Dye from the container directly into the water along the shoreline.
- Dispersion of the color will depend on the movement of the water, but should occur within hours of treatment.
- As needed, add additional Harrell's Blue Pond Dye to the water to maintain the desired coloration of the water.

APPLICATION RATES:

1. Determine the number of acre-feet to be treated: Multiply the acres of surface area [$\text{length(ft)} \times \text{width(ft)} / 43,560$] by the average depth(ft).
2. Apply one gallon of Harrell's Blue Pond Dye per acre foot, or 1,234 cubic meters of water: Multiply the acres of surface area [$\text{length(ft)} \times \text{width(ft)} / 43,560$] by the average depth(ft).

WATER USE AND RESTRICTIONS:

Water may be used for irrigation or fishing immediately following treatment. Allow several hours for Harrell's Blue Pond Dye to disperse before swimming. Do not apply Harrell's Blue Pond Dye to water used for human consumption. The diluted color in treated water will not harm fish, waterfowl, pets or wildlife. Chlorinated water will cause color fading, requiring higher dosages or more frequent treatment.

WARNING KEEP OUT OF REACH OF CHILDREN

Read entire label for additional precautionary statements.
FOR PROFESSIONAL OR INDUSTRIAL USE ONLY

Blue Pond Dye

GENERAL USE PRECAUTIONS:

Always consult the MSDS for specific instructions. The concentrated liquid will stain skin, clothing and equipment.

FIRST AID MEASURES IN CASE OF CONTACT

Eye Contact: DO NOT RUB EYES. Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary.

Skin Contact: Remove contaminated clothing and immediately wash affected area with large amounts of water for at least five minutes. If irritation or redness persists, seek medical attention as needed.

If Swallowed: Give large amounts of water to drink. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.

Inhalation: Move individual to fresh air and check to assure adequate respiration. Seek medical attention if necessary.

IN CASE OF EMERGENCY OR SPILL, Contact Hazmat Response 1(800) 229-5252.

STORAGE AND DISPOSAL:

Handling: CAUTION: Always wear rubber gloves when handling Harrell's Blue Pond Dye.

Storage: CAUTION: Keep from freezing. Store only in original container in secured area and keep sealed. Use caution when moving, closing, or pouring.

Container Disposal: Offer for recycling or reconditioning, dispose of in a sanitary landfill or follow other procedures approved by federal, state and local authorities. Re-use of this container is not recommended.

Product Disposal: Wastes resulting from use of this product should be disposed of through on-site spray application or at an approved waste disposal facility.

Transportation: Harrell's Blue Pond Dye is classified as a non-hazardous chemical and not regulated by the United States Department of Transportation.
