

Hydro-90

Harrell'sHydroMAX[®]
SOIL SURFACTANTS

ACTIVE INGREDIENT

Alkoxylated Polyols 100%

NONPLANT FOOD INGREDIENT

F352

KEEP OUT OF REACH OF CHILDREN

CAUTION

Read entire label for additional
precautionary statements and use directions.
FOR PROFESSIONAL USE ONLY

PRECAUTIONS

- Avoid getting in eyes or on skin. The use of safety glasses with side shields (or goggles) and water repellent, chemical resistant gloves when handling this product is recommended.
- Do not contaminate food, feed, seed or water supplies during application or when cleaning equipment.

IN CASE OF SPILL OR MEDICAL EMERGENCY,
CONTACT CHEMTREC 1-800-424-9300.

FIRST AID

If on Skin: Wash with soap and water. Consult a physician if any irritation persists
If in Eyes: Rinse with clean water for 15 minutes. Remove contact lenses after the first 5 minutes and continue to rinse. Seek medical attention if irritation persists.
If Ingested: Call 911 or a physician for treatment advice.
Have the product label with you when calling a doctor or going for treatment.

NET CONTENTS:

250 gallons (946 liters)

30 gallons (113.52 liters)

2.5 gallons (9.46 liters)
Weight per gallon: 8.59 lbs. @ 68°F

Hydro-90

Hydro-90 is a soil surfactant designed for use on turfgrass and ornamentals. Once in the root zone, Hydro-90 helps reduce soil water repellency, a cause of localized dry spot (LDS). When used as directed, Hydro-90 will help to improve the infiltration and overall movement of water in the root zone. Hydro-90 is readily soluble in water and can be applied with conventional application equipment. Apply Hydro-90 early in the season prior to the onset of stress. Do not apply Hydro-90 to turf and ornamentals under stress.

DIRECTIONS FOR USE

Soil surfactant for use on turfgrass and ornamentals. Hydro-90 is intended for use as a single component in a spray application. A jar compatibility test should be performed on unknown combinations prior to mixing and application.

RECOMMENDED RATES

Greens, Tees, Fairways, Lawns and Sports Turf

Long-Term Rate: Apply 8 fl.oz per 1000 sq. ft. in sufficient water for thorough coverage. Follow up with second application of 8 fl.oz per 1000 sq. ft. 7-10 days later. Irrigation is recommended after each application in sufficient amounts to remove Hydro-90 from leaf surfaces. Reapply after 3 months or as necessary.

Short-Term Rate: 3 -6 fl oz per 1000 sq. ft. on a monthly basis or 2 - 3 fl oz biweekly. Irrigation is recommended after each application in sufficient amounts to remove Hydro-90 from leaf surfaces. Apply in sufficient water for thorough coverage.

Ornamentals

Potting Media Treatment: Spray 2-4 fl oz per cu yd in at least 2 gallons of water per cu yd. Apply to media during blending.

Production and Pre-shipment: Drench 6-8 fl oz/100 gal water thoroughly wetting potting media.

Plug Production: Drench before germination or after first leaf stage with 2-4 fl oz per 100 gal water thoroughly wetting potting media.

Regular Irrigation Injection: 0.13 fl oz/100 gal of water (10 ppm) or 0.10 fl oz per gallon stock solution at 1:100 Injector Ratio.

Weekly Irrigation Injection: 1.3 fl oz/100 gal of water (100 ppm) or 1.3 fl oz per gallon stock solution at 1:100 Injector Ratio.

STORAGE AND CONTAINER DISPOSAL

Store above 45°F. Store this product in a dry place, in original container only. Keep lid tightly closed. Keep away from open flame or intense heat. Triple rinse container and offer for recycling, if available, or dispose of in accordance with federal, state and local authorities.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty(30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The seller's liability under this warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.
